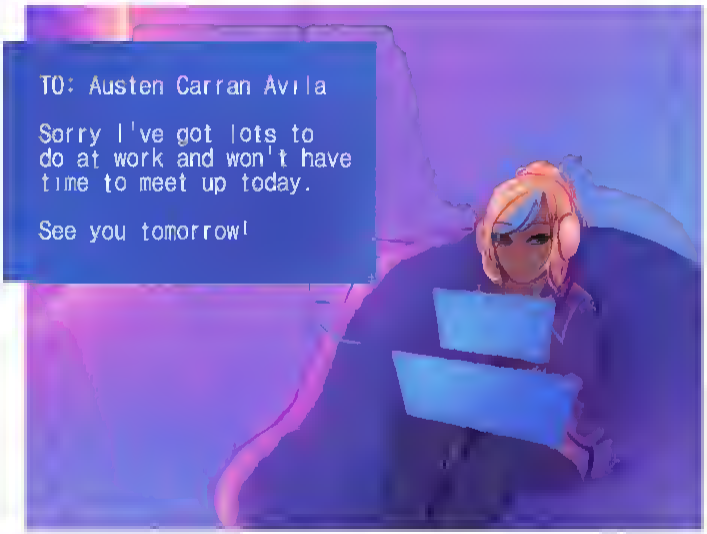
MY DAD ALWAYS SAYS IT'S IMPORTANT TO CRY WHEN YOU'RE SAD.



BUT I CAN'T CRY. NOT NOW.
I CAN'T DO THAT TO RAE.

OH . . . I'LL REPLY LATER.
I JUST DON'T HAVE THE ENERGY

I JUST NEED TO KEEP MYSELF DISTRACTED.

42 - Let it all out

DEBUGGING IS TEDIOUS, FIDDLY AND INDESCRIBABLY FRUSTRATING.

IT'S A PERFECT DISTRACTION.

SO THIS IS WHAT I FOCUS ON, ONE MISTAKE AT A TIME.

FIND THE PROBLEM. FIND THE CAUSE. FIND A SOLUTION.

THERE'LL BE MAINTENANCE ON THE ASSET SERVER OVER THE NEW YEAR
IT'S ONLY MEANT TO TAKE A FEW DAYS, BUT JUST IN CASE, SAVE DUPLICATES.

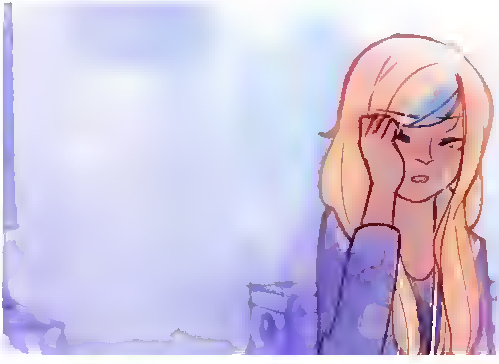
IT'S NICE TO HAVE PROBLEMS THAT I KNOW HOW TO FIX.

MY DAD ALWAYS SAYS THAT AFTER YOU CRY THINGS WILL BE OKAY.

ONCE YOU LET IT ALL OUT YOU'LL FEEL BETTER.

BUT I DON'T FEEL BETTER.

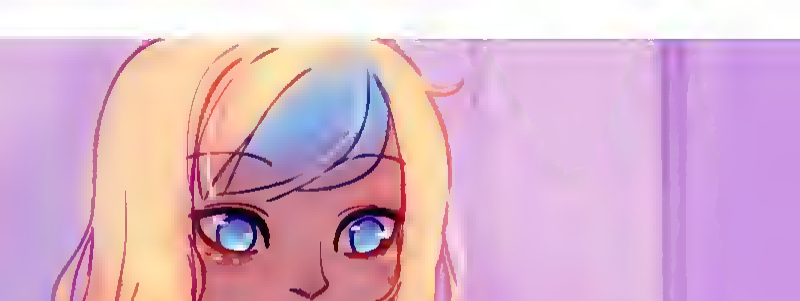
I DON'T REALLY FEEL ANYTHING.



OKAY, THAT'S ENOUGH.
I SHOULD GO HOME
I CAN FEEL SORRY FOR MYSELF THERE.

mmmmg
WHAT TIME IS IT?
OH. WHOOPS.

I GUESS I'LL QUICKLY HAVE DINNER.
AND THEN A DREAMLESS SLEEP MOD.
MAYBE THINGS WILL BE BETTER TOMORROW.



AUSTEN?

HEY SUNATI,
. . . ARE YOU OKAY?

Thank you for reading!
